Redbud Health Care District

It is that time again and we're asking for donations in support of Kelseyville High School Sober Grad Night 2023.

The goal of Sober Grad Night is provide a fun, safe, and sober graduation celebration for all KHS graduating seniors. We know that our seniors will want to celebrate with their friends on the night of their graduation; we want to make that celebration spectacular!!....and SAFE!!

Why is Sober Grad Night so important? If one alcohol related arrest, injury, or worse yet, death, is prevented by the alcohol and drug-free celebration, then the extensive effort to plan and fund it will have been well worthwhile- both for our KHS graduates and the community at large.

The important event requires a tremendous amount of collaborative work and huge commitment from parents and community members. The extent of the celebration depends on our fundraising efforts and donations from our amazing community, Donations go toward facilities, games, entertainment, and prizes for our students. **We truly appreciate any donation in any amount.**

Of note, at Kelseyville High School we service people from a large portion of Lake County geographically. Kelseyville proper, Kelseyville Rivas, and a large portion of the Cobb Mountain areas. The graduation class of 2023 hopes to see 125 graduates.

Please contact me with any questions.

Regards,
