Hello,

On behalf of Adventist Health Clear Lake, I would like to formally thank you for your generous grant award of \$15,500 for Fiscal Year 2023 to support safe sleep education and practices for newborns provided by the hospital's Baby Sleep Safe - Comprehensive Perinatal Services Program (CPSP).

Below is a final report which details how funds were spent and the impact this award had on newborns and their parents in Lake County.

Expenditures:

With the funding provided, the program was able to purchase a total of 75 bundles. Each bundle included 1 pack 'n play or 1 bassinet (the parent's choice), 1 diaper tote, and 1 swaddle blanket.

ITEM DESCRIPTION	TOTAL COST
Pack 'n Plays	\$7,381.64
Bassinets	\$4,934.36
Diaper Totes	\$815.40
Swaddle Blankets	\$2,368.60
TOTAL	\$15,500.00

Impact:

- All 75 bundles were issued; There are 0 bundles remaining from this award.
- A total of 75 families were served, including 2 sets of twins.
- One of the bundles was issued to Lake County's first newborn of 2024!

A total of 77 newborns were provided with safe sleep essentials, which would not have been possible without your generous support. The Baby Sleep Safe Program sets families up for success. Bringing a newborn into the world can be stressful, and safe sleep practices should be available to all.

On behalf of Adventist Health Clear Lake, I thank you again for your continued support of this service line.

Sincerely,

Melissa Buchholz
